Put Your Data to Use
How Increased Data Sharing Can Increase Equity in Your Criminal Justice System

SEARCH/JRSA/NCJA Symposium on Justice Information Technology, Policy, Research, and Practice
July 26, 2023, Long Beach, California
States are investing more than ever in the criminal justice system.
Data quality is measured by volume instead of by usefulness.
Only 14 percent of the public report “quite a lot” of confidence in the criminal justice system.

AND YET
the criminal justice system is helping more people succeed than ever before.
Justice Counts

There has never been an effort to solve this challenge

- This large
- This expansive
